Discovering PLACE teachers and community partners have access to a growing library of books. Here’s how to find, learn about and borrow books from our lending library.

- **Find books:** Go to [http://www.librarything.com/catalog/discoveringplace](http://www.librarything.com/catalog/discoveringplace) to see a list of books in the Discovering PLACE lending library.
  - Alternately, use the “search your library” feature on the book list page to search by title, author, or key word to find a book.

- **Learn about books:** Copy the title and author and paste it into the search line at [http://www.amazon.com](http://www.amazon.com).
  - This generally allows you to see both editorial and reader reviews.
  - Some books also have a “Search Inside This Book” feature, which can be clicked on beneath the photo of the book, at the top right of the page. This shows you copies of selected pages from the book.

- **Borrow books:**
  - Please request the book by e-mailing Barb Urlaub at urlaubb@umflint.edu.
  - Copy and paste all the book’s information into the body of your e-mail.
  - Specify how you want to obtain the book: either request an appointment to pick up the book at our downtown Flint office, or request the book be delivered at an upcoming professional development session (please give one week’s notice to have the book delivered this way).
  - A book can be borrowed for a 30-day period.

- **Return books:** We are happy to loan books, but please mark your calendar to return materials, so we can continue to share them with others. You may return books in person or return them to a staff member at a professional development session.

- **Renew books:** A book may be renewed for an additional 30 days, unless another member has requested it. Please e-mail renewal requests to Barb Urlaub.
